## **AUDITOR'S REPORT ON THE REVIEW OF THE INTERIM FINANCIAL INFORMATION**

To the Shareholders and the Board of Directors of WHA Industrial Development Public Company Limited

I have reviewed the interim consolidated financial information of WHA Industrial Development Public Company Limited and its subsidiaries, and the interim separate financial information of WHA Industrial Development Public Company Limited. These comprise the consolidated and separate statements of financial position as at 30 September 2019, and the related consolidated and separate statements of comprehensive income for the three-month and nine-month periods then ended, and the related changes in equity, and cash flows for the nine-month period then ended, and the condensed notes to the interim financial information. Management is responsible for the preparation and presentation of this interim consolidated and separate financial information in accordance with Thai Accounting Standard 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim consolidated and separate financial information based on my review.

### **Scope of review**

I conducted my review in accordance with the Thai Standard on Review Engagements 2410, "Review of interim financial information performed by the independent auditor of the entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

### **Conclusion**

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim consolidated and separate financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34, "Interim Financial Reporting".
